Math Skills for the Workforce

At last, a math program designed specifically for workforce development. Teach all the math skills your learners need for job success in just four books.

Math Skills for the Workforce develops the math skills that ensure workforce success. It's also a great value. With just four titles you can cover what your learners need to know -- at a much better price than competing titles.

- ◆ A pretest ensures proper placement; a post-test measures progress.
- ◆ With reading levels of 4-6, even limited readers can master math.
- ◆ All unit openers and practice exercises deal with work-related issues and scenarios.
- ◆ A glossary defines unfamiliar words to keep learners focused on problem solving.

Distant Thunder An Integrated Skills Approach to Learning Language through Literature

Janis G. Scalone

An ESL/EFL reader containing fiction and poetry by ethnic minority writers.

Distant Thunder contains authentic short stories, poems, and excerpts from novels by ethnic minority writers. Informed by reader response theory, the text uses student-centered activities and a reading-process approach to literature. The text is rich with themes of inner conflict and cultural confrontation and adaptation. It contains stories and poems by Chinese, Japanese, Indian Americans, Mexican Americans, Native Americans, and African Americans whose work will engage readers and encourage meaningful communication.

Distant Thunder contains ten units, each centering on a single story or poem accompanied by student-centered, reader response activities and language exercises. The book introduces various literary structures (such as point of view, character, and setting) and devotes a section in each unit to a focus on language. 7 x 10. 1999.

Journeys through Literature

Myra Shulman, SKILL LEVEL: High-Intermediate to Advanced

An advanced-level, content-based textbook that contains unadapted selections from English and American literature.

Journeys through Literature combines the reading of literature, the analysis of literary styles and techniques, and the acquisition of language skills. A diversity of literary selections is presented, with readings ranging from the 14th through the 20th century. Chapters include an overview of the literary period and genre, biographical sketches of the author, and descriptions of the literary period or tradition to which the author belongs.

This textbook helps students formulate and express their own preferences and opinions about a variety of literary works. The exercises and activities are intended to improve language skills and critical-thinking skills, with the focus on the student's response to the reading. The instructor's manual includes a sample lesson plan, poetry comparison worksheets, and an answer key.

For teachers who want to focus their instruction on American literature, see *Journeys through American Literature*. 8-1/2 x 11. 1995.

Journeys through American Literature

Myra Shulman, SKILL LEVEL: Intermediate to Advanced

The best of American literature for the student and teacher to enjoy. **Journeys through American Literature**, a more compact version of the classic text, *Journeys through Literature*, introduces students to the best of modern American

literature while enhancing their reading, writing, listening, and speaking skills. The new volume focuses on 19th and 20th century American prose and poetry, and includes a section taken from *The House on Mango Street* by Sandra Cisneros.

Both texts help students formulate and express their own preferences and opinions about a variety of literary works. The exercises and activities are intended to improve language skills and critical-thinking skills, with the focus on the student's response to the reading.

Each instructor's manual includes lesson plans and answer keys among other helpful material. 8-1/2 x 11. 2000.

Reader's Choice, 4th Edition

Sandra Silberstein, Barbara K. Dobson, and Mark A. Clarke

The 4th edition of Reader's Choice, the world's best-known reading skills textbook for ESL/EFL students, includes teachers' favorite

features:

- ◆ Original authentic readings from a variety of sources, now including websites.
- ◆ Specific instruction and exercises for developing students' skills in skimming, scanning, reading for thorough comprehension, and critical reading.
- ◆ Readings accompanied by a variety of exercises, including a composition focus to encourage use of the text in integrated reading-writing programs.
- ◆ The popular format of alternating skills units with reading units is back in the 4th edition. Favorite readings--like "The Lottery," "The Sacred Rac," and the mysteries--are back; some, like "The Milgram Experiment" have been augmented with supplemental material that brings the story/article into the new millennium. Readings in the new edition come from websites, questionnaires, menus, schedules, maps, magazines, newspapers, advertisements, textbooks, and poetry and fiction. Topics addressed by the new readings include: the globalization of tourism, English as a global language, genetic engineering, aging of the world's population, the world's fight for food, and the cross-generational workplace. The answer key is included in the back of the book. 8-1/2 x 11. , 440 pgs. 2002.

Intermediate Reading Practices Building Reading and Vocabulary Skills

Keith S. Folse, SKILL LEVEL: Intermediate

Intermediate Reading Practices offers an extensive array of exercises designed to provide students with strategies for comprehending what they read--and with practice in reading faster and more efficiently. Students will master the skills essential to improving reading speed and comprehension, thereby improving their confidence in language learning. Rather than merely testing skills, **Intermediate Reading Practices** contains exercises that provide practice in specific skills: developing vocabulary, finding context clues, using the dictionary, forming conclusions, locating answers, scanning, and finding the main idea. In addition, unique timed word recognition and reading exercises help improve reading rates. The ten lessons are supplemented by an appendix and an answer key. 8-1/2 x 11. 1993.

E. Margaret Baudoin, Ellen S. Bober, Mark A. Clarke, Barbara K. Dobson, and Sandra Silberstein, SKILL LEVEL: Advanced

Abridged edition of the highly recommended ESL textbook made more accessible for international language classes. The highly acclaimed second edition of Reader's Choice has been divided into two separate and self-contained texts. Book 1 contains units 1-6 and 14 of the single volume. Valuable appendixes and answer keys are included. The International Editions were originally designed to offer EFL students the opportunity to use smaller editions of this highly regarded text, but they are just as widely used with ESL students. The texts offer fiction, personal experience, and humor for the student's enjoyment. The essays and editorials sharpen critical faculties, while graphs, charts, science and business features, and contemporary magazine and newspaper articles present topics of widespread interest. 7-1/4 x 10. 1993.

Contemporary Social Issues

Authentic Readings for the ESL Learner

Sarabel Kass Cohen, SKILL LEVEL: High-Intermediate to Advanced
Learn English by reading and

discussing timely issues about our global community. This textbook offers authentic readings and accompanying exercises that provide practice in the development of various reading and language skills-- skills that will aid in the transition to academic study. The readings, arranged thematically, address interesting contemporary issues--population control, the census and immigration, family, and education. Because the readings represent a variety of sources--newspapers, magazines, encyclopedias, college textbooks, essays, true stories, transcribed conversations, and speeches-- students are exposed to various writing formats/styles and prominent writers. Extensive vocabulary work is contained in glossaries that accompany the readings and vocabulary review at the end of each unit. **Contemporary Social Issues** also improves writing skills and teaches comparing, contrasting, paraphrasing, and summarizing skills. 7 x 10. 1997.

Genuine Articles

Authentic Reading Texts for Intermediate Students of American English

Catherine Walter

Genuine Articles is a collection of 24 authentic reading texts gathered from a wide range of sources: newspapers, magazines, brochures, advertisements, business letters; and books of fiction, nonfiction, and poetry. The type of writing varies, with examples of instruction, description, narrative, persuasion, and classification. The practical exercises that follow each text are designed to teach, rather than test, and promote an active approach to reading. Summary-skills exercises in each unit help students organize information in the text and build mental summaries. Other exercises include scanning, drawing inferences, guessing vocabulary from context, and recognizing cohesive links within a text.

Making Connections

A Strategic Approach to Academic Reading
Second Edition

Kenneth Pakenham

High Intermediate to Low Advanced

Making Connections is a reading skills book aimed at high-intermediate students who need to prepare for academic college reading tasks. The book has four high-interest thematic units, each with multiple readings on health, multicultural societies, language and the environment.

The second edition has been significantly revised and updated, and some exciting new features have been added. Twelve reading skills and strategies sections weave their way through the book, giving students insight into how academic texts are organized and how to read effectively. Readings now begin with pre-reading tasks and end with a post-reading section that takes students "Beyond the Reading,:" allowing for Internet research, discussion, and writing.

The new edition retains the successful features of the first edition: a long final reading at the end of each unit; a strong focus on vocabulary development; and unique, creative exercises that activate the reading strategies being taught.

Multiple readings, including one longer reading, on high-interest themes.

Skills and strategy sections help students gain insight into how academic texts are organized and teach them how to read effectively.

A large variety of creative reading tasks with a strong emphasis on academic vocabulary building.

Reading

The Oxford Bookworms Library

Series Editors: Tricia Hedge and Jennifer Bassett

Beginning–Advanced

The Oxford Bookworms Library offers a wide selection of readers that are adaptations of modern and classic fiction. At the lower levels, there are stories written especially for the series.

The books are graded at six language levels, from elementary (400 word vocabulary) to advanced (2,500 word vocabulary). Vocabulary, structure, syntax and the information presented are all carefully controlled. Key topic vocabulary is often illustrated, particularly at the lower levels.

Oxford Bookworms Library titles encourage enjoyable and successful reading with:

- ◆ Introductions to lead students into the story.
- ◆ Illustrations to support the natural language used throughout each book.
- ◆ Glossaries to explain key topic words in the story.
- ◆ Activities to help students get more out of each story.
- ◆ "About the Author" sections to give students information about the author's life and work.

All books are \$5.95, Single Cassettes are \$12.95, Double Cassettes are 17.95, Oxford Bookworms Library Pack is \$64.00.

Teaching Techniques in English as a Second Language

Series Editors: Russell N. Campbell and William E. Rutherford

A unique series of books especially designed to meet the needs of the busy classroom teacher. Teachers new to the ESL field will rely on these books for practical, step-by-step guidance. Experienced teachers will find new teaching applications for many of the principles they already value, as well as thought-provoking questions to stimulate further exploration. Practical, concrete, linguistically-sound answers to the question of what to do on Monday morning are presented. The authors of each volume in the series are noted authorities in their field and have had years of teaching and teacher-training experience.

Techniques in Teaching Writing

Ann Raimes

Practical procedures for teachers to follow at every stage are outlined, including ways to stimulate students to write through pictures, readings, and discussions, and ways to respond to student writing as a form of communication. ©1983

434131-3 Book \$17.95

Techniques and Resources in Teaching Grammar

Marianne Celce-Murcia and Sharon L. Hilles

This book is for teachers who are asking whether, when, and how to teach grammar. The first two chapters of the book address general questions of grammar in ESL theory and classroom practice. These are followed by ideas for creative teaching of grammar. Included are specific suggestions for teaching most of the common, beginning-level structures, which are listed separately in a grammar index for easy reference. ©1988

434191-7 Book \$17.95

Techniques in Testing

Harold S. Madsen

Testing in all skill areas is covered. How to write and evaluate tests is clearly explained with numerous examples. Also featured is an appendix describing the most important commercial, proficiency, achievement, and aptitude tests. ©1983

Techniques and Principles in Language Teaching Second Edition

Diane Larsen-Freeman

The second edition of *Techniques and Principles in Language Teaching* includes a modest updating of all of the methods presented in the first edition with the exception of Chapter 6 which has undergone a substantial revision to reflect the evolution of *Suggestopedia* (1st ed.) to *Desuggestopedia* in this edition. In addition, the Introduction has been expanded and methods that have come into prominence since the first edition of this book have been included. As in the first edition, the author draws the reader into classrooms where various teaching methods and approaches are being used. Readers are encouraged to reflect on their own beliefs and to develop their own approach to language teaching. The book provides practical, step-by-step guidance for new teachers, while introducing more experienced teachers to new approaches and teaching ideas. ©2000

435574-8 Book \$17.95

Techniques and Resources in Teaching Reading

Sandra Silberstein

Appropriate for new and experienced teachers alike, this book answers both theoretical and practical questions on the teaching of reading. The author offers numerous suggestions on how to teach expository prose, non prose reading, fiction, poetry, and songs, as well as advice on how to help students discern opinion from fact. Textbook examples are complemented with a chapter on how teachers can develop their own materials. ©1993

434134-8 Book \$17.95

Techniques in Teaching Vocabulary

Virginia French Allen

This book provides a sound basis for teaching vocabulary, and answers such questions as which English words students need to learn most, and why some words are easier to learn than others. ©1983
