Picture Dictionaries

Elizabeth Hanson-Smith, Evelyn Fella, Norma Shapiro, and Jayme Adelson-Goldstein
Beginning-Intermediate

This interactive, multimedia CD-ROM brings the words and illustrations of ***The Oxford Picture Dictionary*** to life with sound and animation. Its rich assortment of games, exercises, and activities makes it flexible for use in conjunction with the ***Dictionary*** or on its own. Thematic content corresponds to secondary and adult curricula, with a strong job-skills strand. It can be used in classrooms, in language labs, or at home, and it can be easily adapted to individual, pair, or small group work.

The comprehensive ***Oxford Picture Dictionary Interactive CD-ROM*** provides hundreds of hours of speaking, listening, reading, and writing practice, all on a single disc.

- ♦ All **3,700** words of ***The Oxford Picture Dictionary*** are presented with **sound** and **stunning visual images** that provide easy access to meaning and pronunciation.
- ♦ Students can **hear** and learn to **read, say, and spell** any word they choose to explore.
- ♦ **User-friendly navigation** and **help screens** are geared to the special needs of language learners.
- ♦ A **special viewer** allows students to easily explore the whole graphic as well as zoom in for close-ups.
- ♦ Vocabulary can be easily searched, either by contextualized topic page or through a **pictorial glossary**, helping students develop reference skills.
- ♦ A **wide selection of activity types** appeals to a variety of learning styles.
- ♦ Activities such as **Conversation, Reading, "Job Talk," Dictation, Role Play, and Writing** provide contextualized vocabulary practice in speaking, reading, writing, and listening.
- ♦ A **built-in word processor** encourages students to write about any Dictionary topic and print out their work.
- ♦ **Easy lookup** of words from readings, dialogues, and students' own writing is facilitated by **hyperlinked referencing** to the glossary.
- ♦ **Games** offer motivating, **easily customized** reinforcement activities.
- ♦ **Flashcard Maker** enables students to practice on-screen or print out picture/word cards based on **their own word lists**.
- ♦ **Randomly-generated tests** for each topic page enable targeted testing and **multiple retests**, facilitating **pre- and post-testing**.
- ♦ Summary and detailed **reports** allow students and teachers to **monitor progress**.
- ♦ A **Teacher Management System** on the same disc permits teachers to review and edit student information, as well as view tests and writing.
- ♦ A single CD contains both Macintosh™ and Windows™ installations, accompanied by a User's Guide.

Read All About It 1 and 2

Lori Howard

High Beginning-Low Intermediate

Read All About It:

- ◆ Draws on authentic news stories, magazine articles, biographies, folktales and poetry.
- ◆ Develops reading skills, vocabulary, and critical thinking through a wide variety of pre-reading, reading, and post-reading activities.
- ◆ Supports the readings with vivid photographs and illustrations.
- ◆ Invites cooperative learning with numerous opportunities for group and pair work.
- ◆ Enables independent learning with a removable Answer Key and "Remember the Words," a student's personal vocabulary diary.
- ◆ Includes Teacher's Notes for both novice and experienced teachers.

These readers offer engaging selections based on authentic materials. Unit themes correspond to those in the Dictionary, and readings contextualize and expand on dictionary vocabulary. Accompanying activities help develop reading skills, vocabulary, and critical thinking. Word lists with pages references to the Dictionary are provided.

A *Cassette* for each book contains clear, easy-to-understand recordings of all the readings in the text. **Read All About It 1 and 2** can be used as independently or with the support of *The Oxford Picture Dictionary*. Themes in the readings correspond to those in the *Dictionary*, and a Word List with page references to the *Dictionary* is provided.

Picture Dictionaries

Margot F. Gramer, Norma Shapiro, Jayme Adelson-Goldstein, and Fiona Armstrong, Garnet Templin-Imel with Shirley Brod

This flexible four-skills program addresses the critical language needs of low-beginning and literacy level adult and young adult students.

The Basic Oxford Picture Dictionary, Second Edition is the core of the program.

It provides a rich, clear visual presentation of the key vocabulary in meaningful contexts. This language is essential for the development of basic communication survival skills.

The Dictionary features:

- ◆ 1,200 essential words and phrases.
- ◆ 12 units providing key, everyday vocabulary.
- ◆ Full color illustrations presenting clearly labeled vocabulary words in large, easy-to-read type.

All of the **Dictionary** vocabulary is recorded in clear, easy-to-repeat speech and is available on CDs and Cassettes.

The Dictionary Second Edition offers

NEW! Easy exercises on every page give students immediate practice with the new vocabulary.

NEW! A color-guide to help locate units by topic more easily.

NEW! Some illustrations have been updated to a more contemporary style.

Bilingual Edition

An English/Spanish Second Edition of the Dictionary presents the Spanish vocabulary in blue next to the English words.

Teacher's Book

The **Teacher's Book** includes full-color, reduced size illustrations from each Dictionary page, with wrap-around lesson plans. Each topic is annotated with teaching tips, including grammar, usage, and pronunciation notes. The index and pronunciation guide from the Dictionary are also included.

Teacher's Resource Book of Reproducible Activities

This combined teacher's resource and student activity book provides communicative practice with more than 130 listening, speaking, reading, writing activities. Each activity is related to a specific Dictionary topic. The CDs and Cassettes feature the listening activities.

Workbook

This collection of reading and writing exercises correlates page-for-page with the Dictionary. An Answer Key is included.

Recommended for No Child Left Behind & EL Civics

Overhead Transparencies

Full-color Overhead Transparencies are available for every page of the Dictionary.

Picture Cards

The reproducible Picture Cards offer 256 black-and-white illustrations that represent key Dictionary vocabulary. Includes a booklet of activity suggestions.

Literacy Program

Designed to be used with the Dictionary, this comprehensive four-skills program combines teacher's notes, reproducible student pages, pre- and post-tests, pre-literacy materials, and word/picture cards in one binder.

Picture Dictionaries

The **Oxford Picture Dictionary for Kids** is especially designed for young students who are learning English. *Joan Ross Keyes, Beginning*

The Dictionary

- ♦ Presents over **700 words** in the context of colorful pictures that tell stories.
- ♦ Introduces **five characters** and their families and features them throughout the book.
- ♦ Covers a **broad spectrum of content** from the K-2 curriculum, with topics that are interesting and relevant to children.
- ♦ Offers **60 topics** on vibrant double page illustrations which can be presented in any order.
- ♦ **Defines vocabulary** with callout pictures to help children isolate each item and search for it in the context of the picture story.
- ♦ Includes **verbs and nouns** together to encourage students to use the language in context.
- ♦ Can be **used by itself** or with accompanying components as the **core of an entire curriculum**.

Dictionary Editions

The **Dictionary** is available in Monolingual English (softcover and hardcover) English/Spanish and English/Japanese editions.

The **Dictionary** can be used independently, or with components that will help enhance students' understanding of the vocabulary, and extend their use of the new words in different contexts.

Teacher's Book

The **Teacher's Book** presents techniques and strategies for using each component of the program. Specific instruction ideas for each topic are provided in a simple, easy-to-follow format. It includes:

- ♦ Reduced pages from the **Dictionary, Workbook and Worksheets**.
- ♦ **Teaching suggestions** for the words, **Stories, Beats!**, and dialogues.
- ♦ Additional activities for each topic plus an annotated bibliography of **recommended children's books for each theme**.

Workbook

The **Workbook** offers a variety of activities for each topic, such as word games, labeling, matching, and writing tasks.

Wall Charts

This set of 60 charts features poster-size reproductions of each of the illustrations in the **Dictionary**. The callout words are listed on the back for easy reference by the teacher or student.

Reproducibles Collection

A boxed set of four reproducible books:

- ♦ The **Word and Picture Cards Book** contains pages for making matching word and picture cards for each topic.
- ♦ The **Stories Book** offers a page for each of the 60 topics which tells the story of the **Dictionary** illustration. Each page folds to make a mini-book for individual reading practice.
- ♦ The **Beats! Book** contains a playful rhythmic chant on each page providing language practice related to each topic. Like the **Stories**, each of the 60 pages folds to make a mini-book.
- ♦ The **Worksheets Book** contains two pages for each topic, providing language practice through a variety of writing activities.

Cassettes

The set of **Cassettes** provides listening practice to accompany all of the components of the program. For each topic, the Cassettes contain:

- ♦ **All of the words** from the monolingual English Dictionary.
- ♦ **All of the Stories and Beats** from the Reproducible Collection.
- ♦ **Dialogues** which bring to life the characters in each **Dictionary** illustration.

Let's Go, 2nd Edition

Ritsuko Nakata, Karen Frazier, Barbara Hoskins, and Steve Wilkinson
Songs and Chants by Carolyn Graham

Beginning

Let's Go is a colorful series for children who are just beginning their study of English. It combines a carefully controlled, grammar-based syllabus with practical, natural-sounding language. Functional dialogues, interactive games, and pairwork activities foster a lively classroom environment where students can learn while having fun.

Key Features:

- ◆ Pairwork exercises, with a focus on question and answer form.
- ◆ Reading skills development.
- ◆ Lively songs and chants by Carolyn Graham.
- ◆ Regular review units and listening tests.
- ◆ A Starter level that introduces the alphabet, basic phonics, and simple language structures, is ideal for younger students.

Second Edition

The **Student Books** and **Workbooks** feature the original **Let's Go** syllabus in an appealing new design with a combination of both new and original illustrations.

The **Teacher's Books**, with mid-term and final tests, have been completely rewritten with almost twice as much material. They now include special tips for teachers and reproducible activities for the classroom. New recordings of the *Cassettes and CDs* feature more of the *Student Book* language. American Start with English, 2nd Edition

D. H. Howe

Beginning-Intermediate

This classic children's series is now available in an exciting second edition. The original syllabus, so popular and successful throughout the world, is presented unchanged in an attractive new format that will appeal to the next generation of young students.

American Start with English is easy to teach from and is enjoyable for children. It is the ideal series to use with large classes where teaching conditions are often more challenging.

The **Student Books** feature lovely, colorful illustrations presented in a large format that children will find easy to understand. The books introduce language structures and vocabulary at a pace that young children can easily follow. The spiraling curriculum provides plenty of opportunity for review, consolidation, and catching up.

The **Teacher's Books** contain lesson plans that are easy to follow, with activities that allow students to practice and consolidate the new language. This is done through activities involving the whole class, small groups, and pair work. A word list, a list of flashcards with ideas for using them in class, and a basic classroom language list are all included.

The **Workbooks** provide further practice of the lessons presented in the Student Books.

The **Cassettes** feature cheerful children's voices presenting the exercises, pronunciation activities, and stories from the *Student Books*.

The colorful **Picture Flashcards** (available for Levels 1-3) present an illustration on one side with the corresponding word on the reverse side. They are ideal for teaching vocabulary, review, drills, and games.

Open Sesame

Beginning-High-Intermediate

Open Sesame is an exciting, full-color series for children, featuring the world-famous Sesame Street characters. Students start **Open Sesame** at the level appropriate to their oral language foundation and their familiarity with reading and writing in English.

For continuous development of language skills, the logical progression of the series for children is the three *Beginning Language Development Levels*.

Big Bird's Yellow Book - Features beautiful illustrations to introduce English with no written words. **Grover's Orange Book** - Develops oral language and listening skills to form

the basis for an introduction to printed words. **Cookie Monster's Blue Book** - Provides additional oral language development activities and introduces reading and writing exercises. Printed words are introduced first as labels, then in sentences, and finally in short paragraphs.

There are two *Intermediate Language Development Levels*. **Prairie Dawn's Purple Book** - Introduces specific content area material with an emphasis on critical thinking skills. **Ernie and Bert's Red Book** - Extends the focus on content area materials, while still supplying plenty of oral practice.

The two *Resource Levels* are **Oscar's Bridge to Reading Book** and **Open Sesame MultiLevel Book**, which can be used independently or in conjunction with the other books in the series.

Mr. Bug's Phonics

Catherine Yang Eisele, Richmond Hsieh, and Dina Sun
Beginning

Mr. Bug's Phonics are exciting, full-color books that provide a fun and effective way to teach young children how to read in English. They can be used in the classroom and at home.

Mr. Bug's Phonics 1 teaches the 26 letters of the English alphabet and their sounds, which includes an introduction to the short vowel sounds. **Mr. Bug's Phonics 2** focuses on consonant blends, vowel combinations, and long-vowel sounds. Both books provide a firm foundation in early reading development.

Student Books

Each unit in the *Student Books* opens with a lively, full-color illustration. An accompanying story introduces the key words for the unit in a memorable context. The following pages in each unit contain a variety of engaging practice and review activities, including chants and songs. Stickers included at the back of the book reinforce new vocabulary and add to the fun.

Teacher's Books

The *Teacher's Books* contain step-by-step instructions for teaching every unit, the story text, guidelines for teaching each sound, and answer keys to the exercises. They also provide ideas for drills and games, including suggestions on how to use the Phonics Cards.

Cassettes

The *Cassettes* offer an engaging narration of the delightful stories that begin each unit. They also include the listening activities and provide a model for the chants and songs.

Phonics Cards

Each **Mr. Bug's Phonics** book has a corresponding set of palm sized phonics cards that are used throughout the lessons and in the supplemental games and drills. The 52 cards for Book 1 feature the upper- and lowercase letters of the alphabet. The 57 cards for Book 2 present the consonant blends and vowel combinations that are taught at this level.

American Headway

Liz and John Soars

Beginning - Intermediate

American Headway is a series that combines the best of traditional methods with more recent approaches to make learning English stimulating, motivating, and effective. It provides a foundation in the structure of the language, gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

Clear approach to grammar

American Headway is based on the belief that an understanding of the grammar of English is one of the key enabling skills for language students.

- Grammatical structures are introduced in context, with questions that encourage students to work out the rules for themselves.

- A wide variety of controlled and freer practice activities encourage accurate use of the target language in all four skills.

- A comprehensive "Grammar Reference" is an invaluable tool at the back of each book that can be referred to before, during, or after the lesson.

Student Books

Integrated skills work in every unit

- The reading and listening activities contextualize and bring together language introduced previously.
- The choice of interesting topics together with manageable and motivating tasks ensure students develop important listening and reading skills, and fluency in speaking.

Systematic lexical syllabus

The tightly controlled lexical syllabus concentrates on the three elements of vocabulary learning:

- New words in their lexical sets.
- Good habits for learning vocabulary.
- Systems of vocabulary (synonyms, antonyms, and compound nouns) that help students perceive patterns in the language.

Workbooks

- Grammar and vocabulary exercises.
- Writing syllabus.

Teacher's Book

- A selection of photocopiable activities including songs.
- Progress Tests and "Stop and Check" quizzes.
- Answer Key for Student Book and Workbook.

Teacher's Resource Book

- Teaching suggestions and culture notes.
- Photocopiable speaking activities and vocabulary games.
- Tests and quizzes.

Audio Program

The *Student Book Cassettes/CDs* feature all of the listening activities. A tapescript is included at the back of the book and in the *Teacher's Book*. The *Workbook Cassettes/CDs* include all of the listening exercises with an answer key at the back of the book.

Integrated English

Beginning-Intermediate

Integrated English is a flexible, integrated four-skills program with an emphasis on speaking and listening. The program is comprised of **Gateways**, **Transitions** and **Explorations**. It can be used as a complete, six-level course or as three separate, two-book courses.

Student Books, *Built-in change with built-in continuity*

Integrated English recognizes that students with different communicative abilities also have different language-learning needs. At the same time, as a unified program, **Integrated English** provides a smooth transition from one level to the next without a jump in level or gaps in assumed knowledge.

Increased student motivation

Integrated English motivates students by giving them a sense of accomplishment as they "graduate" from one two-book course to the next. Tasks are carefully graded to boost self-confidence and increase students' ability to speak and understand English. By offering students interesting, cross-cultural material, **Integrated English** encourages them to express themselves in English.

Teacher's Book

Increased teacher satisfaction

The open design and clear tasks make it easy for both students and teachers to learn how to do every activity. With the flexible unit structure, a wealth of extra ideas, and reproducible materials, it is easy to adapt lessons to different teaching situations and styles. A complete tapescript and *Workbook Answer Key* is included.

Workbooks

Each Workbook offers practice of all new language and vocabulary linked to specific lessons in the *Student Book*.

Gateways

Victoria Kimbrough and Irene Frankel

Beginning-High Beginning

Key features:

- ♦ Core vocabulary that is explicitly presented, practiced, and applied.
- ♦ A carefully structured grammar syllabus that provides a firm foundation for communication.
- ♦ Task-based pair and small group activities for maximum practice and personalization.
- ♦ Realistic task-based listenings and carefully guided pronunciation, reading, and writing exercises.
- ♦ Conversation management strategies to give students the tools they need to navigate effectively through real-life English.
- ♦ Key learning strategies highlighted in the Strategy Session review units.

Springboard

Jack C. Richards

Pre-Intermediate-Intermediate

Springboard is a conversation and listening course organized around high-interest topics that encourage students to talk about what they are most interested in: their own lives, aspirations and interests. Each four-page unit offers two complete lessons, plus optional extension activities.

Student Book

Each topic in **Springboard** is explored from two perspectives and is introduced by a visual that activates the students' previous language knowledge and real world experience. Short interactive tasks and personal surveys guide students toward conversational fluency and help them develop communication skills that can be put to immediate use in real-world situations.

Cassettes and CDs

The entertaining audio program features a variety of voices, international accents and imaginative sound effects.

Key features:

- ◆ Abundant language models and key expressions give students clear guidance in developing the ability to initiate a conversation and keep it going, and respond to ideas, comments and questions.
- ◆ A *Project File* of student activities such as designing personal name cards, creating a dream trip poster, presenting a screenplay.
- ◆ A *Springboard Glossary* for easy access to key definitions, with photocopiable vocabulary building activities in the **Teacher's Book**.
- ◆ Listening skill development, including listening for gist, attitude, inference, information and main idea.

Teacher's Book

- ◆ Step-by-step instructions for each activity.
 - ◆ Cultural and usage notes.
 - ◆ Photocopiable vocabulary worksheets and tests with recommendations for student assessment using project portfolios.
- Tapescripts and Answer keys are available!

New Interchange

New Interchange is the world's most successful English course for adult and young adult learners at the beginning to intermediate levels. There are three levels. Series features:

- ♦Multi-skills syllabus integrating themes, structures, functions, vocabulary, and pronunciation.
- ♦Fresh topics and real-world content in every unit.
- ♦Beautiful design, illustrations, and photos.
- ♦Comprehensive grammar presentation and practice.
- ♦Extensive opportunities to develop listening skills.
- ♦High-interest readings that lead to thoughtful discussion.
- ♦Student-centered fluency activities.
- ♦Interleaved **Teacher's Editions**.
- ♦Audio CDs as alternatives to **Class and Student's Audio Cassettes**.
- ♦CD-ROMs for **Intro, Level 1, and Level 2** that offer a wealth of self-study activities.

Passages

Passages is a two-level, multi-skills course that takes students of English from the high-intermediate to the advanced level. It is designed to follow the **New Interchange** series or any other beginning to intermediate course.

Passages is a two-level, multi-skills course that takes students of English from the high-intermediate to the advanced level. Written in American English, **Passages** is designed to follow the **New Interchange** series. It features:

- ♦Thematic units of high interest to adults and young adults.
- ♦A complete writing syllabus beginning with paragraph development.
- ♦Engaging, authentic readings and recordings to stimulate discussion.
- ♦Regular review units to consolidate language and knowledge of grammar.
- ♦Stimulating pair and group discussion activities.
- ♦Systematic presentation of grammar.
- ♦Vocabulary-building activities in every unit.
- ♦Focused and open-ended communicative practice of all new language.
- ♦Between 60 and 90 hours of classroom instruction in each level.

Level 1 takes learners from the high-intermediate to low-advanced level.

Level 2 further extends the communicative abilities of students, bringing them to an advanced level.

Crossroads

Irene Frankel, Shirley Brod, Marjorie Fuchs, Cliff Meyers, Barbara Sample, and Helen Fox, with Earl W. Stevick

Literacy-Intermediate

Crossroads is the ideal series for adult and high school students.

This course:

- ♦ Integrates a competency-based (life-skills) approach with a proven grammar syllabus.
- ♦ Accommodates open-entry, open-exit programs.
- ♦ Accessible to students with limited literacy skills.
- ♦ Designed for multi-level classes.
- ♦ Includes all the core and supplemental materials a teacher needs, cutting costs and preparation time.
- ♦ Compatible with the MELT and CASAS competency statements, the Texas Adult Learner Outcomes, and the California ESL Model Standards for Adult Education Programs.

Student Books

The *Student Books* follow a carefully integrated syllabus based on competencies and grammatical objectives. Each book has 10 units organized around practical content, such as transportation, housing, and health. Each unit follows a consistent, 12-page format with true-to-life characters. Illustrations introduce new vocabulary and concepts.

- ♦ Speaking activities provide both structured and personalized practice in contexts relevant to students' lives. Pair and small group work encourage participation. Task-based information gap activities bring together the grammar and competencies in each unit.
- ♦ Listening skills are developed through a variety of activities, and a complete tapescript is in the back of the student book.
- ♦ Document literacy features real-life documents, such as forms, labels, and product instructions.
- ♦ Reading is taught through high-interest readings that begin with pre-reading activities and end with comprehension checks.
- ♦ Writing skills are developed through a process that begins with pre-writing and ends with students sharing what they have written.

Audio Program

The *Cassettes* feature all of the conversations and listening exercises in Levels 1-4, plus the readings in Levels 1 and 2.

The Multilevel Activity and Resource Packages

The *Multilevel Activity and Resource Packages (MARPs)* can be used either as components of Crossroads or independently. Each level contains more than 200 reproducible sheets packaged in a binder. Activities include grammar practice, listening exercises, picture stories, vocabulary games and puzzles, word cards and picture cards, student-to-student dictation, mixers, writing, reading, dictionary skills and handwriting practice. An answer key is provided at the back of the MARP.

Workbooks

The *Workbooks* contain selected pages from the *MARP*, and are designed for independent study and homework. An answer key is provided at the back of each book.

The Teacher's Books

The *Teacher's Books* offer unit notes with warm-up activities, teaching procedures for every exercise, and cross-cultural, pronunciation, and linguistic notes. Suggestions for teaching multi-level classes are also included.

Achievement Tests

The *Crossroads Achievement Tests* are eight reproducible tests with a mid-term and final for each of the four Student Books. They contain sections on listening comprehension, grammar, and life-skills competencies. A student answer sheet, answer key templates, reproducible item analysis for each test, and tapescript are provided. A Cassette of the listening parts of the test is available.

Secondary-Adult New American Streamline

Peter Viney, Bernard Hartley, Tim Falla, and Irene Frankel

BEGINNING-ADVANCED

New American Streamline is an intensive three-level series geared to the interests and needs of young adults and adults. Like the original *American Streamline*, this completely new edition combines natural language, everyday situations, and extensive practice of all four skills to give students a practical command of simple, spoken American English.

The three levels of **New American Streamline** (**Departures, Connections, and Destinations**) can be used as independent texts or sequentially as parts of a series.

Student Books

Each of the eighty, one-page units contains:

- ♦ Interesting, humorous conversations, featuring key grammatical points.
- ♦ Full-color, all-new illustrations and photographs throughout to motivate students.
- ♦ New communicative and listening exercises.
- ♦ A strand weaving together important and relevant functions.
- ♦ New grammar summaries and an index for students' reference.

Split Editions of the Student Books are ideal for shorter courses. Part A of each Student Book covers Units 1-40; Part B covers Units 41- 80.

Teacher's Books

The spiral-bound, interleaved Teacher's Books contain the full-color pages from the Student Books plus:

- ♦ Detailed teaching notes and drills for each unit.
- ♦ New suggestions for additional communicative and role-playing activities.

New Person to Person

Jack C. Richards, David Bycina, and Sue Brioux Aldcorn

HIGH BEGINNING-INTERMEDIATE

New Person to Person

is a full-color, two-level series that stresses functional conversational fluency. It is ideal for students who want to improve their listening and speaking skills.

Both levels of **New Person to Person** feature authentic conversations in a wide variety of settings, task listening activities, a focus on practical pronunciation points, paired practice activities that maximize students' opportunities to talk, and optional speaking activities intended for further practice of language functions.

Student Book

The full-color **Student Book** focuses on the functions required for high-interest, everyday life activities such as shopping, ordering in a restaurant, and arranging to meet a friend.

Each unit contains:

- ♦ Two clear lessons based on realistic conversations.
- ♦ A task-listening section to consolidate language
- ♦ Information-gap activities.
- ♦ A wealth of new optional activities that are adaptable to various class sizes and lengths.

Teacher's Book

The spiral-bound *Teacher's Book* is interleaved, providing easy access to the colorful Student Book pages. It features step-by-step instructions for each lesson. Optional activities and a section of photocopiable pages provide the flexibility to adapt lessons to various classroom situations.

Cassettes and CDs

The recording, available on both *Cassettes or CDs*, features authentic renditions of the conversations, listening sections, and many of the information-gap activities in the *Student Books*.

Tests

Booklets containing two photocopiable tests are available for each level. The tests evaluate students' progress in listening, functions, and speaking. An accompanying cassette contains readings of the listening materials.

Open House

Norman Whitney

Beginning-Intermediate

Open House will appeal to pre-teens and young teens with its youthful appearance and lively content.

It combines a systematic language syllabus with a modern communicative approach which gives students the structures, vocabulary, and opportunities to speak about things that interest them. New language is introduced through an attractive photostory featuring young teens. Grammar is presented in a clear and enjoyable way and practiced in activities which progress from controlled to communicative. All four language skills are consistently developed. Pages dedicated to *Vocabulary*, *English Across the Curriculum*, the *Progress Diary*, and *Study Skills* help students develop key language, communicative, and learning skills. *Regular Use and Review* units reinforce language.

Components

The *Workbooks* provide a range of practice exercises, activities and games. The *Teacher's Books* contain guidelines for presenting all activities in the text as well as photocopiable texts, answer keys, a complete word list, and many ideas for extra activities. The *Cassettes* provide clear, idiomatic speech models for the language in the text, including the photostory dialogs and other listening and pronunciation activities.

Secondary-Adult East West

Kathleen Graves, David P. Rein, and Alison Rice

Beginning-Intermediate

East West is a four-level, four-skills series that emphasizes speaking and listening skills. It is based on a carefully organized syllabus that integrates grammatical, functional, topical, and situational content and follows a gradual progression. Natural language is used throughout, with high-interest continuing stories and *Culture Capsules* introducing aspects of American life.

East West Basics was created to meet the special needs of the beginning student. It features opportunities for personalization, built-in recycling and review of new language, and clearly stated teaching points.

Each unit of *East West* features a conversation introducing the teaching points, a speaking section aimed at developing accuracy and fluency, a section devoted to listening and reading skills, and a language checklist that summarizes all the new language covered.

Components

The *Workbooks* provide a wide range of writing activities related to the oral skills developed in the *Student Books*. The interleaved *Teacher's Books* include step-by-step teaching suggestions, additional activities, and background information on grammar and usage, vocabulary, culture, and pronunciation. Answer Keys and tapescripts are provided. The *Cassettes* contain the opening conversations and task-listening sections from the *Student Books*. The *Lab Books* provide supplementary speaking practice and are designed for use with the accompanying *Cassettes* in language laboratories.

Samantha and Samantha: The Sequel A Soap Opera and Vocabulary Book for Students of English as a Second Language

Meryl Robin Becker

Using a soap opera storyline approach, ***Samantha and Samantha: The Sequel*** build students' vocabulary and offer substantial practice in reading. Because the content deals with real-life social and ethical issues, students are quickly drawn into the text, and, as a result, become more enthusiastic about learning vocabulary and idioms and participating in classroom discussions. The stimulating and intriguing storylines offer continuing topics for discussion on social, moral, and cross-cultural issues such as love, marriage, dating customs, and gender roles in all societies. Well organized and easy to use, chapters contain prereading and comprehension questions, as well as exercises that reinforce the vocabulary and idiomatic expressions. The book's chapters have been sealed but perforated to help build suspense and keep students from reading ahead.

Touchstone

Michael McCarthy, Jeannne McCarten, Helen Sandiford

Beginning to Intermediate

Touchstone is an innovative new series for adult and young adult learners of English. It draws on extensive research into the Cambridge International Corpus of North American English - a large database of everyday conversations and texts that shows how people actually use English.

At the core of Touchstone is a brand-new syllabus area of conversation management strategies such as how to start and end conversations, how to show interest, and how to ask questions that are not too direct. The result is a ground-breaking course of language and skills development that helps learners communicate naturally and effectively, even at the very beginning levels.

Easy and enjoyable to teach, Touchstone is packed with new and exciting ideas, offering a fresh approach to the teaching and learning of English.

The Cambridge International Corpus (CIC) has been developed by Cambridge University Press to help in writing materials for learners of English. It is a large collection of written and spoken texts, stored in a database, that can be searched to see how English is used. The English in the CIC comes from many sources including newspapers, books, Web sites, magazines, radio and television broadcasts, and recordings of everyday conversations.

Task Reading, a high-beginning to low-intermediate reading skills text, has an ongoing story line – a day in the life of two adult students in San Francisco. Each unit presents realistic

situations, supported by a wide variety of reading materials, many of which are authentic: dialogs, maps, diagrams, articles, letters, and advertisements. Accompanying exercises help students understand the context and purpose of the many different kinds of readings. Predictable comprehension questions are avoided throughout, and the exercise types are highly varied. The book also includes *Teacher's Notes*, which give unit-by-unit teaching suggestions.

Genuine Articles Authentic Reading Texts for Intermediate Students of American English

Catherine Walter

Genuine Articles is a collection of 24 authentic reading texts gathered from a wide range of sources: newspapers, magazines, brochures, advertisements, business letters; and books of fiction, nonfiction, and poetry. The type of writing varies, with examples of instruction, description, narrative, persuasion, and classification. The practical exercises that follow each text are designed to teach, rather than test, and promote an active approach to reading. Summary-skills exercises in each unit help students organize information in the text and build mental summaries. Other exercises include scanning, drawing inferences, guessing vocabulary from context, and recognizing cohesive links within a text.

Reading

The Oxford Bookworms Library

Series Editors: Tricia Hedge and Jennifer Bassett

Beginning–Advanced

The Oxford Bookworms Library offers a wide selection of readers that are adaptations of modern and classic fiction. At the lower levels, there are stories written especially for the series.

The books are graded at six language levels, from elementary (400 word vocabulary) to advanced (2,500 word vocabulary). Vocabulary, structure, syntax and the information presented are all carefully controlled. Key topic vocabulary is often illustrated, particularly at the lower levels.

Oxford Bookworms Library titles encourage enjoyable and successful reading with:

- ♦ Introductions to lead students into the story.
- ♦ Illustrations to support the natural language used throughout each book.
- ♦ Glossaries to explain key topic words in the story.
- ♦ Activities to help students get more out of each story.
- ♦ "About the Author" sections to give students information about the author's life and work.

All books are \$5.95, Single Cassettes are \$12.95, Double Cassettes are \$17.95, Oxford Bookworms Library Pack is \$64.00.

New Directions An Integrated Approach to Reading, Writing, and Critical Thinking, 2nd Edition

Peter S. Gardner, High Intermediate to Advanced

New Directions challenges students to expand their horizons.

Through extended, integrated reading, writing, speaking, and listening activities, students learn to generate hypotheses, argue, analyze critically, and distinguish between different types of writing and purposes for reading. Moreover, **New Directions** helps students develop such crucial skills as the ability to identify a writer's point of view and tone, interpret a writer's meaning inferentially as well as literally, and discriminate between opinion and fact. The text also teaches students to detect fallacies in reasoning, to reach conclusions and judgments based on supportable criteria, and to propose new ideas. New edition is a major revision!

Writers at Work A Guide to Basic Writing

Jill Singleton

Writers at Work is a new two book series that provides **beginning to low-intermediate** level writing students with a solid foundation in writing skills. After completing this two-book course, students will be well prepared to take the next step and tackle academic essay writing. The approach

in these books assumes that even lower level students can handle a full-blown process approach to writing. In each chapter, students work through a five-step composing process: Getting Started, Preparing the First Draft, Revising Your Writing, Editing Your Writing, and Following Up.

In *Writers At Work*, students learn how to:

- * organize a paragraph with a main idea and supporting details
- * use pre-writing strategies to help gather and organize ideas
- * revise using a multi-drafting process approach
- * edit and proofread for common grammar errors.

Transitions

An Interactive Reading, Writing, and Grammar Text, 2nd Ed.

Linda Bates, High Intermediate

Transitions helps students bridge the gap between writing paragraphs and writing essays, from dealing with concrete information to dealing with abstract topics.

- ♦Written by a wide range of culturally diverse, international authors.
- ♦Focuses on a single theme per chapter and integrates the reading, grammar, and editing activities.
- ♦Includes assignment-specific peer response sheets and guides students through peer response activities.
- ♦Addresses grammar points in the editing checklist .

NEW Edition!

Write to Be Read Reading, Reflection, and Writing, 2nd Edition

William R. Smalzer, Intermediate

Write to Be Read is designed to teach ESL/EFL students to write convincing paragraphs and academic essays with greater fluency. The

methodology is a blend of both process and product approaches to writing. Students focus on process as they develop their thinking about a topic through reading, discussion, and reflection. Then, using authentic student essays as models, they focus on product as they shape their writing to meet reader expectations.

Every chapter contains two high-interest reading selections that provide students with topics for reflection and discussion. Readings include extracts from short stories, poems, and magazine articles. An appendix with exercises on specific grammar issues is included for students who need further practice. New edition includes updated reading, greater vocabulary support, and improved design.

Write to Be Read makes ample use of collaborative activities in discussion of readings and topics, in pre-writing activities, and in peer review. The educational design of the book encourages students to think more clearly and critically and to develop their own ideas when using others' writing.

Communication/Listening

Internet English World Wide Web-Based Communication Activities

Christina Gitsaki and Richard P. Taylor

Pre-Intermediate-Intermediate

Internet English is a WWW-based conversation course. It helps students develop the skills to search the World Wide Web for information that is relevant to them, while providing a structured framework to practice their conversation skills through communicative tasks that are challenging, motivating, and fun.

Key features include:

- ♦ High-interest topics chosen to exploit the World Wide Web.
- ♦ Adaptability to traditional or computer-equipped classrooms.
- ♦ Pair work and group work activities for sharing information and communicating ideas and opinions.
- ♦ Vocabulary-building activities to prepare learners for the words and expressions they will encounter on the Internet.
- ♦ Engaging warm-up tasks and stimulating visuals including authentic Web pages.
- ♦ Three "Computer Skills Units" that bring less experienced students up-to-date on computer terminology, word processing operations, Web searches, and e-mail.
- ♦ "Computer Projects" that give students the chance to use their computers and the World Wide Web creatively.
- ♦ A "Language Window" in each unit with useful grammatical structures that support the unit's conversation tasks.

Active Listening

Active Listening offers students 20 engaging, task-based units, each built around a topic, function, or grammatical theme. In the first two levels (Introducing and Building), students learn to listen through a careful balance of activities, including listening for gist, listening for specific information, and making inferences. In the third level (Expanding), listening activities are content-based, drawing on real information from a variety of sources.

Listen First

Student Book: Jayme Adelson-Goldstein

Teacher's Book: Ann Creighton and Jayme Adelson-Goldstein

Literacy-Beginning

Listen First teaches practical, communicative listening skills through focused listening tasks presented in natural spoken English. It is ideal for students who have little or no previous knowledge of English. Students learn how to focus on specific information and to screen out irrelevant material, how to interact in given contexts, and how to ask for clarification.

The *Teacher's Book* contains pre-listening activities for each unit and follow-up activities, plus an *Answer Key* and tapescript. The *Cassettes* feature all of the listening exercises from the *Student Book*.

Pronunciation Pairs

An Introductory Course for Students of English

Ann Baker, Sharon Goldstein
Pronunciation Pairs is designed to teach students to recognize and produce the sounds of American

English, providing practice with individual sounds, word stress, intonation, and sound-spelling relationships. This comprehensive course covers the most common problem areas in pronunciation, using minimal pairs, dialogs, games, and listening and speaking exercises. The book contains a wealth of amusing illustrations to help students understand the words used and to make the practice more interesting.

The *Teacher's Manual* contains extensive teaching suggestions and ideas for further practice. A set of four cassettes can be used in class or by students working individually.

Pronunciation Plus Practice Through Interaction

Martin Hewings, Sharon Goldstein
Pronunciation Plus helps **intermediate**-level students of North American English improve their pronunciation of the

language through a variety of stimulating listening and speaking tasks that address all of the important topics in English pronunciation: individual speech sounds, sounds in connected speech, stress, rhythm, intonation, and spelling. Nearly half of these tasks are done with a partner or in small groups, giving students the opportunity to interact with their classmates while practicing their pronunciation. There is also an emphasis on communicative activities that allow students to talk about and explore aspects of everyday life as they learn.

You Said It! Listening/Speaking Strategies and Activities

Mary Shepard Wong
You Said It! provides the kind of learner-centered tasks that students need to develop their listening and speaking skills. The text uses an ongoing story

line to weave together listening and speaking activities. Students develop ten learner-centered communicative projects.

- ♦ Introduces vocabulary in new and various contexts through "Help with Vocabulary" boxes.
- ♦ Highlights the most common expressions needed in listening and speaking tasks.
- ♦ "Useful Expressions" boxes.
- ♦ Integrates the four skills, engages students in purposeful communication, and teaches culture.

Grammar

Grammar In Use

Grammar in Use is a highly successful two-level grammar series known for its clear explanations and innovative format. Every unit is a two-page spread, with presentation of grammar points on the left-hand page and practice exercises on the right. A unique combination of reference and practice, *Basic Grammar in Use* and *Grammar in Use, Intermediate* can be used as classroom texts or for self-study. The new editions of these books include Audio CDs packaged with the texts, fuller explanations of troublesome grammar points, and more exercises. Both books are available in editions with or without answers.
