Description & Features

Language Smarts builds students' reading comprehension, writing, spelling, vocabulary, and word use skills as it improves their ability to understand and follow directions.

Methods

To solve these activities, students write definitions and descriptions, classify and explain, match words and phrases, decode number-word relationships, draw figures based on written directions, complete missing word and sentence elements, and more. Activities within each book become progressively more challenging to keep students' interest high. Answers included.
