PASSWORDS TO LIFE POSTER SERIES

Attitude is not something that is forced upon us. It is a conscious choice. We choose to make it positive. Attitude is also not something that we can change for someone else. What we can do is choose our reactions to others' attitudes. We choose whether or not to give ourselves and those around us the gift of a personal positive attitude.

Attitude...it's all about choices.

01-PO22LX Poster \$7.95

A plan of action helps to achieve goals. Short term goals are achieved in a few hours, days or weeks. Intermediate goals are like steps to achieving a bigger goal. Long term goals may take several months or even years to accomplish.

01-PO23LX Poster \$7.95

Dreams light up the far corners of your soul. They allow you to touch heaven, and make a difference on earth. Dreams provide the magic in life, and pave the way to hope.

01-PO25LX Poster \$7.95

Inside each of us is a catalyst: a tiny kernel of truth that waits to be discovered. Once one has discovered what motivates, worlds can be conquered and dreams can be achieved. Goals can be attained and purpose can be fulfilled. Search until you find it; seek what it takes to motivate yourself and everything will fall into place.
